PROPERTY TAX INFORMATION

In no event will a motor vehicle's registration, whether the vehicle is leased or owned, be renewed unless the total taxes and registration fees on that vehicle are paid.

Upon renewal of this registration, the taxes paid are for the full 12 months preceding your new expiration date.

Appealing Value / Exemptions - The property tax value for a registration renewal is based on the January 1 value and your assigned renewal month. January through August renewal months use the January 1 value from that period. September through December renewal months use the January 1 value immediately after that period. The owner may file a written appeal of the appraised value or submit an application for exemption with the county tax office within 30 days of the due date shown on the front of this notice. Taxes are to be paid on the motor vehicle when they are due and are subject to a full or partial refund if the appeal is decided in the owner's favor.

License Plate Transfers - If after payment of this notice, an owner transfers the license plate shown on this notice to another motor vehicle during the active registration period, no refund of taxes is due. The registered motor vehicle to which the plates are transferred will not be taxed until the current registration is renewed.

Military Personnel Active duty non-resident military personnel may be exempt from North Carolina motor vehicle property tax. To qualify for an exemption, present a copy of your Leave & Earnings Statement to the county tax office. The statement should be for the month and year in which you register the vehicle and must include the ETS date and home of record.

Refund of Tax An owner may apply for a refund of tax when a motor vehicle is sold or registered out of state. The refund will be calculated on any full calendar months remaining in the registration period after the license plate is surrendered to the NC Division of Motor Vehicles.

Within one year of surrendering the license plate, the owner must present the following to the county tax office:

1. Proof of plate surrender (NC DMV Form FS20)
2. Copy of the Bill of Sale or the new state's registration

Leased Vehicles Property taxes on leased motor vehicles must be paid in full at the time of renewal. A copy of this notice is not sent to the leasing company.

Interest In accordance with NC General Statute 105-330.4 interest is charged on late property tax beginning the 16th day of the month following the due date.
