Hi Heather,

I hope you are well!

I recently learned Dr. Yao is your direct supervisor, however, this should be the Chair.

Michelle is updating this in our various systems and she may be in touch if she has questions.

Let me know if you have any questions.

Thank you,

Traci

Seriously? We have no problem with this arrangement, BUT it is a lot of busy work for the chair/vice dean. Nobody likes to interact with work@duke and I wouldn't wish that role on anyone. :)

Best,

Dave

I understand but fortunately for the Chair there are not many so hopefully not too much busy work added.
